

THE MONTCLAIR BIRD CLUB

QUIZ 171

January 15, 2023

What are these birds—and what are they doing?

Link to ponder: Public Domain Reviews—[extinct Animals](#)

THE ANSWER IS ON THE NEXT PAGE

A red-naped sapsucker stripping bark to reach the sap. Broad-tailed hummingbirds will soon arrive to sip as well.

A yellow-bellied sapsucker creating sap wells.
