

THE MONTCLAIR BIRD CLUB

QUIZ 44

September 6, 2020

Fill in the blank.

“It happened before HUAC in August 1948, when Alger Hiss’s answer to a question about whether he had ever seen a _____ warbler convinced many people that Hiss was lying about his relationship with Whittaker Chambers.”

The Alger Hiss Story

Link to ponder:

The Song Sparrow. As short as it is charming.

THE ANSWER IS ON THE NEXT PAGE

Prothonotary Warbler

“How well had the two men known each other? Hiss, in his book, *In the Court of Public Opinion*, maintained that as an avid bird watcher he would have told even casual acquaintances about his rare sighting of a prothonotary warbler.”
