

THE MONTCLAIR BIRD CLUB

QUIZ 73

December 20, 2020

What is a flock of migrating hawks called? Why?

Broad-winged Hawks in Costa Rica

Link to ponder:

The [shearwaters of Diomedes](#).

THE ANSWER IS ON THE NEXT PAGE

A kettle. No one really knows why, but it likely has something to do with the use of the word “boil” to denote the sudden rising of fish in water. Maybe.

Broad-winged Hawk

Red-tailed Hawk

Swainson Hawk
