

# THE MONTCLAIR BIRD CLUB

## QUIZ 93

April 25, 2021

Identify this “invader” from the south.

**Link to ponder:**

Everything has its history, even the [bird list](#) .

**THE ANSWER IS ON THE NEXT PAGE**

## White-winged dove

A scant generation ago, the white-winged dove was almost unknown in New Jersey. Now, after the first records in the 1980s, this large, bright-faced pigeon is annual in the state, especially in Cape May, and successful breeding is just a matter of time.
